

My Data Driven CV

What

This CV is created using the **R** Package `vitae`

Curriculum Vitae

a short account of one's career and qualifications prepared typically by an applicant for a position

— Merriam Webster's Dictionary

Why

Automation eases how much manual work needs to be performed on any particular task. As developers, programmers, software engineers, etc. our skills are put to good use when we automate manual work for the betterment of others, and ourselves.
